

Child Abuse Prevention License Plate program

The Child Abuse Prevention License Plate Program is a partnership between GOCYF and the Arizona Republic Charities and its funding partners. Since the program's inception in 2000, nearly \$4.1 million in grant funds has been distributed to agencies throughout Arizona.

The goal of this program is to raise funds for primary child abuse prevention — stopping child abuse before it occurs. Of the \$25 specialty license plate purchase price, \$17 goes directly to primary prevention efforts. In addition, the Arizona Republic Charities and funding partners provide a match of 50 cents on every dollar.

Plates are available for a \$25 initial application fee/ \$25 annual renewal. There are no special requirements to obtaining a plate; they may be ordered online at www.servicearizona.com and personalized with maximum of 7 characters. Plates are available with a disability symbol upon request.

The Arizona Republic Charities has released the RFP for the Child Abuse Prevention License Plate Program with a deadline of Friday, March 14, 2008.

The Arizona Republic administers this grant in partnership with the Governor's Division for Children.

Click here to view the grant application (and the link would be to our license plate page on [azcentral.com](http://www.azcentral.com)) it is <http://www.azcentral.com/advert/childplate/>
